

The Greater Chicago Chapter of The Association of Legal Administrators is pleased to invite you to participate in one of the biggest Community Challenge events:

Charity Casino Night

The event will be held on Wednesday, September 15, from 5:30 p.m. to 9:30 p.m. in the beautiful Walnut Ballroom at the Hotel Allegro, 171 West Randolph in Chicago, Illinois. ALA-Greater Chicago Chapter hired a company, Chicago Casino & Poker Rentals, to provide all the gaming supplies. "Las Vegas" entertainment will be provided by Anthony "Frank" Cassano.

The net proceeds of this Community Challenge will go benefit **two** charities:

"Aspire of Illinois" serves people of all ages with disabilities across their lifetimes. This organization started in 1960 when ten families of children with developmental disabilities gathered in the basement of St. Domitilla church in Hillside, discussing their experiences and shared challenges. These families knew that their children had untapped potential and could flourish if only given proper support. These ten families founded what is now Aspire. Aspire of Illinois offers a comprehensive array of support for individuals with developmental disabilities. They assist more than 1,000 children and adults each year with services focused on achieving potential and independence. They have a dedicated team of 400 staff who provide personalized services at 21 locations in the western suburbs. **Aspire of Illinois' Mission;** provide quality lifetime support to people with developmental disabilities so they can achieve their individual highest potential where they live, work or play.

"Cabrini-Green Tutoring Program" has been providing after-school tutoring service for the last 43 years for more than 200 students in grades one through six annually. Most students live in or around the Cabrini Green housing project or come from economically disadvantaged families. Tutoring sessions are held Monday, Tuesday and Wednesday evenings and each student is paired with his/her own volunteer tutor. The program provides a safe, stable learning environment and individualized attention for the children. **Cabrini-Green Tutoring Program's Mission;** dedicated to defining and responding to children's needs and to creating quality, innovative instructional programs that are not only educational but boost self-esteem.

We would like your support in making this a successful event for both "Aspire of Illinois" and "Cabrini-Green Tutoring Program". We would be honored to have you participate with us in this endeavor. Feel free to contact any Community Relations Committee member for additional information. Your consideration is greatly appreciated.
